Summary: penny loves rudy's drawing, but it's missing one thing

not your best work

It's not your best work, but I like how you drew your muscles. Not my best work? why and how was this not my best work rudy wandered, he had drawn himself with big muscles carrying Trina (his crush) through the sky. Just thinking about it he could hardly call it his masterpiece. But still, he wondered why Penny would say that. As they got to her house, Rudy asked hey Penny? hmmmmmm. Why did you say that drawing wasn't my greatest work? She simply smiled and said, because Trina's in your arms instead of me. Without another word she closed the door behind him. Rudy knew he'd better get home, after all he had a new drawing to work on :)
